Our Ten Point Plan

1   Anyone displaying COVID-19 symptoms or who has a member of their household self-isolating should not come to the Airport

2   Only car parks without human touch points are in operation

3   A trial of temperature testing technology is being undertaken

4   Face masks must be worn within the terminal building

5   Only passengers and staff are permitted to enter the terminal

6   Intensive cleaning and hygiene regime throughout the building

7   Two metre social distancing enforced where possible

8   Initially, there will be no shops are restaurants in operation

9   COVID-19 prevention training for all staff

10   Specific measures to ensure the safety of all staff
